Benefits of DDA

Special offers to members of the leading dental continuing education group.

1. Mentoring System

DIO Digital Academy supports all graduates to master the entire curriculum long after graduation.
We will assist in getting you in contact with subject matter experts in your local area to answer questions or concerns you may have. Our mentoring program is available and open to you at all times.

2. Exclusive Member Prime Promotion

DDA will offer exclusive promotional pricing for various DIO products and services in your local area.
One example of an exclusive offer includes the availability of Intra-oral Scanners (Trios 3) and special trial dental services from our DIO Digital Solutions digital dental laboratory at reasonable or minimal costs. DDA membership will offer chances for you to reduce your burden in major dental equipment purchases.

3. Continuing Education

As a member of DDA, you can enjoy various educational acclivities often at reduced or at no cost.
We will be in contact with you regarding regular support programs, study clubs, and seminars scheduled throughout the year. You will also be invited to our annual DIO International Meeting that offers each participant a chance to meet world renowned lecturers and savvy practitioner from various countries.
